Seasonal Glass
Spring 2020

“As meticulously as we source each product that enters our kitchen, so too do we source each bottle of wine that enters our cellar.

As the seasons change, the wine list will too – ensuring that no matter which bottle a guest chooses, it will dovetail with the flavours of that space and time. ”

Reserved for a circle of insiders since 1838, Maison Mumm's exceptional champagnes epitomise the excellence of its terroirs and savoir-faire. True to this heritage, RSRV represents the only collection of five 100% Grand Cru cuvées.
